GENERAL SHOW AND SITE INFORMATION

These shows will be held under cover on packed dirt! This is your opportunity to compete under the same conditions as this years ASCA Nationals! This year we will be using the covered make-up arena for both Conformation, Obedience & Rally. Some grooming area will be available in the arena area but please be sure to bring extension cords and multi plugs as plug ins are somewhat limited. You may be asked to stack crates, and expens will not be allowed. **Our camping area will be on the WEST SIDE of the covered arena, so please follow the directional signs that we will have posted!!** While the rings will be shaded, we highly suggest that you bring your EZ Ups for your camping areas as we will not have trees in our camping area!!
